Dear Parent/ Guardian of _____,

Benjamin Logan Elementary is very fortunate to have the Title I **Group** Reading Intervention program which offers various levels of intervention for students who require more reading skills in order to make progress and succeed in reading. This program is targeted for grades K-2. Depending on the grade level, we will work on the five elements of the reading process: phonemic awareness, phonics/decoding, fluency, vocabulary and comprehension.

Your child has been selected to participate in this program. _____ will have 30 minutes of small group reading instruction everyday with Mrs. Naragon. Your child's daily attendance will be important during this limited opportunity to jump-start your child's progress in reading.

_____ will start bringing home a pouch with books to read to you. These must be returned the next day. Your encouragement and interest will help your child become a very good reader. Because there is a waiting list for this program, YOUR participation and commitment will be needed to accelerate your child's progress.

Please complete the contract attached to this letter and return it with your child to me as soon as possible so that your child can begin receiving this extra reading help. Please read the student responsibilities to your child and help him/her sign the contract.

I look forward to working with you and your child. I know that by working together we will make your child more successful. Please fill out both sides of this contract and return as soon as possible. If you have any questions, please contact me at the school (937)-592-4838 Ext 4020.
